Rashmi Punia

Founder

when the going gets tough, the tough get going" these quotes changed my life and since that day I dedicated my life towards a vision of creating and helping others to grow.

I as an entrepreneur believe in thinking out of the box and helping others to join me to jump out of this so-called rat race.

BookMySiksha believes in building a community that grows together, shares each other knowledge, and works as a team. we are not just any institute we are gurukul of wisdom, integrity, and knowledge.

BookMySiksha and their unbeaten path

we believe in going out of our way to help students to achieve and convert their reality into a dream. we not only hold your hand on the road to glory, but we also plunge into the pool of knowledge and swim across the end together.

we provide our students an opportunity to use real life scenarios and help them to implement the case study which they did during their training period.

we also help our students to interact with our alumni placed in various reputed companies to increase their connectivity with the industry furthermore we also put students in live projects to to grow their skillset.
